## **Notice to Occupants** **LMS 4529 – Cypress Ridge**

### **Attention Residents:**

Adanac Roofing will be loading roofing material on the roof of **units 37-39 & 40-43** on **Monday, April 10, 2023**.

Due to the narrow roadway, it will not be possible to drive around the delivery truck. **We ask that you move your vehicle out of your garage and driveway if you need to use it prior to the loading time of 7:00am.** The delivery should be complete by 3pm. Please move all patio furniture, BBQ's, potted plants etc. to the far end of the yard or tight to the building. The disposal bin is mobile and will change placement in the driveway throughout the re-roof of your building. **Please refrain from parking in your driveway while the crew is actively working on your roof.**

Thank you,

Phoenix Roof Consultants
